ARTICULUM FELLOWSHIP

The *ARTICULUM* Fellowship is open to young research fellows with an interest in arthritis and pain.

The Fellowship of up to €30,000 will be awarded to support a research project up to a period of 9 months. This project will be undertaken at the institute/hospital of an *ARTICULUM* member.

ARTICULUM is an educational initiative comprising a network of European physicians and centres of excellence in rheumatology, whose aim is to “Promote excellence in information exchange, education, training and disease management in arthritis and pain.” *ARTICULUM* is a non-profit organisation with financial support from Pfizer.

Applicants should be no more than 40 years of age, have a degree in medicine, and have completed at least 1 year of specialty training in rheumatology, orthopaedic surgery or acute/chronic pain management. We especially encourage applications from candidates in emerging rheumatology and orthopaedic centres.

For further information and an application form, please visit: www.articulumfellowship.com

If you have any questions, please contact articulum@medacad.org
or phone +43 (0) 1405 1383-0.
