

Laure Gossec

Country: France

Contact e-mail: laure.gossec@cch.aphp.fr

Year of birth: 1972

Main diplomas:

MD and rheumatologist diplomas: 2002, France

PhD: 2008, France, clinical epidemiology (subject: composite diagnostic and outcome criteria in rheumatology)

Current position and hospital/university:

Clinical position: half-time rheumatologist in charge of day hospital unit, Rheumatology B Department (Pr M. Dougados), Cochin Hospital, Paris, France

Research /teaching / academic position: half-time research / teaching position, Paris Descartes Medicine Faculty, Paris, France

Position within EULAR/international experience:

EMEUNET steering committee member

Member of different taskforces within EULAR:

- 2007-2009 epidemiologist for the elaboration of a new composite patient-reported outcome in rheumatoid arthritis (RA), RAID (Pr T Kvien)
- 2008-2009 taskforce for elaboration of recommendations for management of RA, sub task force leader (Pr J Smolen)
- 2009 member of 'patient research partners' and 'patient-reported outcomes' taskforces (M de Wit and Pr A Zink respectively)
- 2006-2009 epidemiologist for the elaboration of a new composite outcome criterion in OA: 'definition of theoretical need for joint replacement', OARSI-OMERACT initiative (Pr M Dougados)

Areas of Research/Interest:

Domains: diagnostic criteria, outcome criteria, patient-reported outcomes, biologics.

Diseases: RA, spondyloarthritis, psoriatic arthritis, osteoarthritis
