

The 7 EULAR objectives 2017

Objective 1 – Research

By 2017, EULAR will be a central platform to facilitate and stimulate innovative basic and clinical research projects in rheumatic and musculoskeletal diseases.

Objective 2 – Education

By 2017, EULAR will be a pre-eminent provider and facilitator of high-quality educational offerings for physicians, health professionals in rheumatology, and people with rheumatic and musculoskeletal diseases.

Objective 3 – Congress

By 2017, the annual EULAR congress will be the top congress for rheumatic and musculoskeletal diseases and will have broadened its offerings and reach.

Objective 4 – Advocacy

By 2017, EULAR will have a significant influence on EU level, and assists actions on national level, towards improving research funding, social policy legislation, and quality of care.

Objective 5 – Standards of care

By 2017, EULAR will have raised standards of care by elaborating and actively promoting, disseminating and implementing EULAR recommendations and criteria for the most common rheumatic and musculoskeletal diseases.

Objective 6 – Profile

By 2017, EULAR will have raised its profile and visibility to patients and health care providers.

Objective 7 – National relations

By 2017, EULAR will have actively engaged all national societies as well as related organisations in key EULAR activities.
