Basic Musculoskeletal Ultrasound Course for Rheumatologists, 13-15 January 2017 is intended to be a combination of lectures and practical sessions. The course is consisted of theoretical talks and supervised hands-on scanning of healthy persons and/or patients with musculoskeletal disorders.

Sponsors will not have any influence on the course programme, scientific and other content, or speakers in any way.

The Course is under patronage of Bulgarian Association for Musculoskeletal Ultrasound and Bulgarian Sostiety of Rheumatology.

Registration is intended to be opened for all EULAR member countries.

Formal evaluation of the course will be performed by all attendees at the end of each course day.

Registration fee: 490 Euro per person (three days course).

Participants registering for a basic MSUM course endorsed by EULAR would have priority if they have already participated in the EULAR Online Introductory US course. From 2016 onwards successful participation in the EULAR Online Introductory US course previous to attending the basic level is mandatory.
