

EULAR Occupational Therapy Study Group

The EULAR Occupational Therapy Study group is made up of 30 members from 11 European countries who are actively working in musculoskeletal rehabilitation and research. The group has been informally meeting at EULAR at each year to discuss Occupational Therapy specific topics such as application and suggestion for sessions for the forthcoming annual conference; the development of EULAR-Guidelines and Recommendations; Occupational Therapists' presence in EULAR Committees; EULAR HP Teach the Teacher Course; EULAR-HP Grants and possible EULAR- Educational visits. This group of professionals also keeps in touch using e-mails, and social networks such as twitter (@EularOT) and linked-in to discuss research questions and potential for collaboration on multi-national projects.

The members of the EULAR OT study group include;
