

EULAR Psychology Study Group

AIMS

The 'EULAR psychology study group' provides a platform for researchers, health professionals and patients to promote psychological understanding of rheumatic diseases and to instantiate, stimulate and discuss psychological research (ongoing studies, innovative ideas, priority for future studies, funding opportunities, and cooperation) and psychological health care implementation (principles and insights from research) in multidisciplinary health care for patients with musculoskeletal and rheumatic disease.

Founding Members

Dr. Erik Taal (group leader)	University of Twente, Enschede, Netherlands	e.taal@utwente.nl
Milena Gobbo	Spanish Society of Rheumatology, Madrid, Spain	Milena.gobbo@ser.es
Prof. Dr. Rinie Geenen	Utrecht University, Utrecht, Netherlands	R.Geenen@uu.nl
Prof. Dr. Arnstein Finset	University of Oslo, Oslo, Norway	arnstein.finset@medisin.uio.no
Dr. Jenny Waite-Jones	University of Leeds, Leeds, United Kingdom	J.M.Waite-Jones@leeds.ac.uk
Karen Vinall-Collier	University of Leeds, Leeds, United Kingdom	K.A.Vinall@leeds.ac.uk
Prof. Dr. Andrea Evers	Radboud University Nijmegen Medical Centre, Nijmegen, Netherlands	A.Evers@mps.umcn.nl;
Dr. Henriët van Middendorp	Radboud University Nijmegen Medical Centre, Nijmegen, Netherlands	H.vanMiddendorp@mps.umcn.nl;
Dr. Saskia Spillekom – van Koulik	Radboud University Nijmegen Medical Centre, Nijmegen, Netherlands	S.vanKoulik@mps.umcn.nl;
Maaïke Ferwerda	Radboud University Nijmegen Medical Centre, Nijmegen, Netherlands	M.Ferwerda@mps.umcn.nl.
Xavier Torres	Hospital Clinic de Barcelona, Barcelona, Spain	XTORRES@clinic.ub.es
Prof. Dr. Stanton Newman	City University London, United Kingdom	Stanton.Newman.1@city.ac.uk
Toon van Helmond	St. Maartenskliniek, Nijmegen, Netherlands	t.vanhelmond@maartenskliniek.nl
Ruta Sargautyte	Vilnius University, Lithuania	ruta.sargautyte@fsf.vu.lt
Patient representatives:		
Maarten de Wit	Netherlands	Martinusdewit@hotmail.com
Codruta Zabalán	Bucharest, Romania	codruta.filip@gmail.com
