

12TH GLOBAL HANDS-ON MUSCULOSKELETAL
MRI & ULTRASOUND CONGRESS
FOR RADIOLOGISTS

2020

NEW!

Final day focus on Joint Interventions using
PRP, Prolotherapy, Steroid and Stem Cells

DATE: 1ST TO 4TH APRIL 2020

VENUE: PENANG ISLAND, MALAYSIA

Accredited for:

30 CPD Points by Royal College of Radiologists UK
20 CPD Points by Malaysian Medical Council
CPD Points towards the ESSR Diploma

Organizer:

Global Futuristic Management Services

Venue:

Holiday Inn Resort Penang

Official website and online registration:
www.penangmskrad.com

FOREWORD

WHY ATTEND THIS CONGRESS?

Dear Radiologist,

The 12th Global Musculoskeletal MRI & Ultrasound Congress for Radiologists will be held from 1st-4th April 2020 at Holiday Inn Beach Resort, Penang Island, Malaysia.

Here are the key features of the Congress:

1. All radiologists will receive a chance to be tutored by senior Musculoskeletal Radiologists who are experts at Musculoskeletal Ultrasound. The practical session will start with a demonstration by the Musculoskeletal Radiologists in the first hour. Subsequently, each participant will be given 10-15 minutes initially to practise the technique shown by the faculty on the model until all participants in the group have attempted and been shown how to do the technique correctly. This is strictly monitored by an appointed group leader. After getting their hands-on practice, participants are free to move to any of the groups to observe, or go to the free tables with models to practice and ask any of the faculty members should they need assistance.

2. Faculty to participant ratio during the workshop sessions are kept small to enable quality hands-on ultrasound training. You will also get RCR UK 30 CPD points and for Malaysians 20 CPD core points for NSR renewal and APC renewal. There is plenty of time for hands-on practice as we have extra tables and models for each session. Please note that only limited places are available to enable personalized training. The advantage of this congress is that in four days you learn both MSK MRI and MSK Ultrasound. In today's MSK Radiology practice, you will find that MSK Ultrasound has taken a greater role in diagnosis of superficial tendon and ligament pathology.

3. If you attended the Global MSK Courses before the year 2018, kindly note that 150 new MSK MRI and MSK Ultrasound DICOM videos are now being shown during the MRI & Ultrasound video sessions to complement the lectures. The Ultrasound pathology using static images and videos will only be taught after the practical session. The abnormal images of pathology shown in the Musculoskeletal Ultrasound Video Session will then be easily appreciated as one has already been accustomed to seeing the normal appearance in the standard planes during the practical session. This will lead to a huge appreciation of pathology without the need for actual patients. Having the practical ultrasound training after the MRI Video session gives greater appreciation of bony landmarks and positioning of tendons and ligaments for each joint.

4. On the final day, I will be introducing a new addition to the congress programme. I look forward to sharing about my current experience and knowledge with Interventional joint injections from working as a Consultant Radiologist at Beverly Wilshire. Explanation of injectables and how they work, indications, techniques in detail and anatomic positioning of injection will be the focus of the final day. As a radiologist, after this congress you will be confident to provide this interventional service which is able to reduce the number of surgery on patients and also give you the opportunity to earn more doing procedures than by solely doing general reporting of MRI and performing MSK Ultrasound.

5. The focus of this congress will be on how we really solve problems in patients with MSK symptoms using one or other modality or both MSK MRI and Ultrasound. Participants will be taught which modality is better for which indication for accuracy of diagnosis. For instance, it is far more accurate to use Ultrasound for detection of ankle ligament tendon and ligament tears than MRI as these structures are very small on MRI and often not clearly visualised in the 3mm slices but seen very well on ultrasound and function can be tested with dynamic manoeuvres. Emphasis will be on how to grade residual function of a ligament which is what the Orthopaedic surgeon wants to know and also tendon pathology.

6. For the practical sessions, you will have a choice to be trained at Basic, Intermediate or Advanced Level. Basic level means you have not attended any Basic MSK Ultrasound course and are not doing MSK USS weekly. Intermediate level means you have attended a Basic MSK Ultrasound Course and are practising MSK ultrasound weekly on patients. Advanced level means you are highly experienced in MSK Ultrasound and would like more specific teaching of different joints.

7. We will provide each participant with a 16GB USB which will contain articles on all the major joints, reporting templates, MRI sequence protocols, MRI homework, Videos, Powerpoints, E-books, etc. Most of this material has been donated by previous lecturers and my fellows over the years. It has some of the best references to articles on particular topics over the last 10 years and forms part of the curriculum. Learning indeed continues well after the congress until you have read all the articles provided.

8. The congress enables a radiologist to report MSK MRI accurately for all common pathology as it concentrates on reporting 95% of common pathology well. Think about it, what is the point of knowing the course of the sural nerve when you can't even report ACL tears accurately? At the end of the congress, one can also perform basic MSK Ultrasound well and make diagnosis of main and common pathology of most joints. MSK Ultrasound often identifies the real cause of the patients' current symptoms rather than MRI which may be non-specific myriad of new or old abnormalities.

9. Opportunities for oral paper presentations are available. Kindly submit your standard abstract (not more than 250 words) to the Secretariat for consideration by the Scientific Committee. Further details will be provided following your submission.

10. For ease of registration fee payment, credit card payment options are available for overseas delegates. Upon online registration, you will be sent a credit card payment link for the amount due which will be valid for 7 days. It is advised that you register early if you are keen on joining the 2020 congress as places fill up fast.

11. We have negotiated for special room rates with Holiday Inn valid from 29th March-9th April 2020. The hotel booking form will be sent to you via email. Please fill it and send directly to the hotel as per instructions on the booking form. Kindly note that no commissions are taken by the conference organizers for room bookings to keep the room rates low. Hotel booking can be made using credit card and you will not be charged until check-in. Hotel booking can be cancelled up to 72 hours before check-in with no penalty and you will not be asked for your CVC number.

By attending the Global MSK MRI and USS congress, it is like a new world opens to you and you are no longer afraid of reporting MSK MRI cases and learning the new skills of doing MSK Ultrasound. So don't think twice. Register for the Penang MSK MRI & Ultrasound Congress using the online registration form available at www.penangmskrad.com today.

Yours sincerely,

Prof Dr John George

MBBS (Adelaide), DMRD (Aberdeen), FRCR (UK)

Congress Chairman Global MSK MRI and USS Congress

Consultant MSK Radiologist, National Sports Institute of Malaysia

Consultant MSK Radiologist, Orthopaedic Diagnostic and Regenerative Centre, Beverly Wilshire Medical Centre

Fmr Professor & Chief of Musculoskeletal Radiology, University of Malaya Medical Centre

Email: msk.rad@gmail.com

PROGRAMME

Day One · 1st April 2020 · Wednesday

7.30 am	Registration
8.00 am	Briefing and pre-course MCQ self-assessment.
8.30 am	Lecture 1: Normal MRI and USS Radiological anatomy of the knee with gross anatomy correlation
10.30 am	Tea break
11.00 am	MRI Video Session 1: DICOM MRI videos of normal and basic to intermediate pathology of the knee (MSK radiologist secrets, tricks of the trade, pearls revealed in all pathology sessions, not in the books, from years of experience)
1.00 pm	Buffet lunch – International. All meals Halal & Vegetarians can order ala-carte vegetarian meals.
2.00 pm	Workshop 1: Hands-on Knee Ultrasound (Groups divided into Basic, Intermediate and Advanced)
4.00 pm	Tea break - Oral paper presentations
4.30 pm	USS Video Session 1: DICOM Ultrasound videos of normal and basic to intermediate pathology of the knee
6.00 pm	End of session

Day Two · 2nd April 2020 · Thursday

8.00 am	Review of MRI Knee Homework Cases given the day before. Good review session of application of principles studied the day before.
8.45 am	Lecture 2: Normal MRI and USS Radiological anatomy of the shoulder with gross anatomy correlation
10.30 am	Tea break - Oral paper presentations
11.00 am	MRI Video Session 2: DICOM MRI videos of normal and basic to intermediate pathology of the shoulder
1.00 pm	Buffet lunch – North Indian
2.00 pm	Workshop 2: Hands-on Shoulder Ultrasound
4.00 pm	Tea break - Oral paper presentations
4.30 pm	USS Video Session 2: DICOM Ultrasound videos of normal and basic to intermediate pathology of the shoulder
6.00 pm	Close of session

Day Three · 3rd April 2020 · Friday

8.00 am	Review of the Shoulder homework given the day before
8.45 am	Lecture 3: Normal MRI and Ultrasound Radiological anatomy of the ankle and foot with gross anatomy correlation
10.00 am	MRI Video Session 3: DICOM MRI videos of normal and basic to intermediate pathology of the ankle and foot
10.30 am	Tea break - Oral paper presentations
11.00 am	Workshop 3: Hands-on ankle/foot ultrasound
1.00 pm	Long lunch break - Hot piping BBQ
2.15 pm	USS Video Session 3: DICOM Ultrasound videos of normal and basic to intermediate pathology of the ankle and foot
3.15 pm	Lecture 4: Normal MRI and Ultrasound of the elbow and wrist including carpal tunnel and arthropathy
4.00 pm	Group photo session
4.15 pm	Tea break
4.30 pm	Workshop 4: Hands-on Elbow and Wrist Ultrasound, Carpal tunnel and Arthropathy Screening
6.00 pm	Close of session

Day Four · 4th April 2020 · Saturday

8.00 am	Review of the Ankle, Elbow and Wrist MRI homework cases followed by MRI & Ultrasound videos of the elbow and wrist
9.00 am	Lecture 5: PRP, Prolotherapy, Steroid and Stem cells: literature & personal experience
10.30 am	Tea break - Oral paper presentations
11.00 am	Workshop 5: Positioning and injection for Musculoskeletal Intervention. Tips and pearls.
1.00 pm	Buffet lunch – Penang Chinese
2.00 pm	Lecture: MRI of the Hip Joint
3.00 pm	Workshop 6: Hands-on practical session for review of all joints. Chance to ask demonstrators anything you are not sure about in MSK Ultrasound or would like more emphasis on.
4.00 pm	Tea Break
4.15 pm	Practical Ultrasound assessment followed by Post-course MCQ self-assessment
5.30 pm	Closing remarks and Collection of Certificates

"This is a great course with comprehensive, excellent and well-prepared learning materials, enthusiastic and knowledgeable teachers plus plenty of hands-on practice on the ultrasound. Homework cases are very useful and practical. Highly recommend!"

Dr Yu Wen Ming, Hong Kong

"This is a great experience to further enhance your knowledge in MSK imaging, with excellent hands-on opportunities and practical tips on image interpretation and ultrasound screening. Great lectures and facilitators. Thank you everyone!"

Dr Stephanie Ang, Philippines

"I totally enjoyed being in this course. The practical knowledge I gained is immense and it can be definitely translated to clinical practice, which remains the highlight of this course. Hands-on workshop with small group teaching was very beneficial."

Dr S. Vasanthapriya, Malaysia

"Perfect course for those who are interested in MSK radiology. It covers a broad spectrum of MSK topics and plenty of hands-on experience. Credits to Prof George who is knowledgeable and humorous, his lectures never disappoint and were full of laughter. Would certainly recommend to everyone who likes MSK radiology."

Dr Stephen Wong, Hong Kong

"I would highly recommend this course as the faculty are extremely knowledgeable and patient in teaching. Also the lectures are very comprehensive with many pearls and pitfalls highlighted."

Dr Jaspreet Singh, Singapore

"This conference provides a very nice fusion of MRI and ultrasound to better enforce the knowledge and understanding of MSK imaging. The session is easily understandable and is recommended for beginners and advanced MSK radiologists. The hands-on sessions and lectures are wonderful."

Dr Mark Anthony, Philippines

"It is a very informative course with very good hands-on experience. This is the best practical course I have ever had."

Dr Zuhudha Hussain, Maldives

"This congress really helped me to have a strong foundation in MSK imaging especially the ultrasound. Excellent lectures with ultrasound and MRI correlation of normal anatomy and pathology."

Dr Diana Garcia, Philippines

"This congress is one of the best platforms for training of MSK."

Dr Nazma Farzana, Bangladesh

Overview:

This intensive hands-on workshop teaches radiologists to report MSK MRI with at least 95% accuracy and perform diagnostics ultrasound with confidence. As a new addition, the congress now includes a focus on Interventional Radiology such as the role of injectables and anatomic positioning of injections. Homework, together with a reporting template, will be given at the end of each day. Over 150 MSK MRI and Ultrasound new and latest videos of different joints are reviewed to demonstrate the pathology that is missed in common day-to-day reporting, resulting in low accuracies even by those who think they are already reporting 95% accurately. Practical ultrasound sessions are divided into Basic, Intermediate and Advanced levels of expertise.

The congress will emphasize practical tips and pearls not found in textbooks. The demonstrators consist of well-established teachers and trainers from Asia and Europe who have done thousands of Musculoskeletal ultrasound cases for diagnosis and also interventional cases. Accurate diagnosis based on clinical history, simple physical stress tests and imaging findings will be highlighted for ultrasound. Limited places available to enable small group hands-on training.

Materials & Deliverables:

1. 1 x high quality colour photoprint of powerpoint lecture slides (2 volumes) and 1x ultrasound technique workbook worth USD400.
2. USB thumbdrive containing 8GB of data resources worth USD200.
3. One ultrasound demonstrator to maximum 7 participants for quality hands-on time.

Faculty:

Prof Dr John George (Congress Chairman)
 MBBS (Adelaide), DMRD (Aberdeen), FRCR (UK)
 Senior Consultant MSK Radiologist, National Sports Institute of Malaysia
 Senior Consultant MSK Radiologist, Orthopaedic Diagnostic and Regenerative Centre, Beverly Wilshire Medical Centre
 Fmr Professor & Chief of Musculoskeletal Radiology, University of Malaya Medical Centre, Malaysia

Prof Dr George Bruyn, MD
 Senior Consultant Rheumatologist
 Chair, MC Groep Hospitals, Lelystad, Netherlands
 (Expert Rheumatology & Orthopaedic Sonographer. Member of EULAR committee)

Dr Edward Sellon, FRCR (UK)
 Senior Consultant MSK Radiologist
 Oxford University Hospitals

Dr Niraj Dubey, FRCR (UK)
 Senior Consultant MSK Radiologist
 Singapore Health Authority

Dr Mathew George, FRCR (UK)
 Senior Consultant MSK Radiologist
 Pushpagiri Medical Hospital, India

Dr Nazrila Hairiana, Fellowship in MSK Radiology (Australia)
 Senior Consultant MSK Radiologist
 Hospital Putrajaya, Malaysia

Dr Nurul Aida, MMED Radiology (UKM)
 Consultant MSK Radiologist
 Kuala Lumpur General Hospital, Malaysia

Location:

The congress venue is at Holiday Inn Beach Resort Penang which is strategically located at Batu Feringghi, a popular tourist destination by the seafront. Just step out of the hotel and you have half a kilometer of stalls selling clothes, bags, DVD's, shoes and household ornamental items at bargain prices. The Penang hawker food is also world-famous. Attractions worth visiting include Penang Hill, Georgetown Heritage Trail and Kek Lok Si Temple. March is traditionally the sunniest time of the year in this part of Malaysia and a great time to visit.

Who should attend this Congress?

Radiologists who have some or no knowledge of the basics of MSK Ultrasound technique & basic MRI, and who would like to learn how to report on basic MSK MRI with high accuracy and perform screening and/or diagnostics ultrasound with confidence. Also beneficial for those interested in learning Interventional Joint Injections.

Congress Pre-Requisite:

Basic level – For delegates who have not attended any Basic MSK Ultrasound course and are not performing MSK ultrasound weekly on patients.

Intermediate level - For delegates who have attended a Basic MSK Ultrasound Course and are performing MSK ultrasound weekly on patients.

Advanced level - For delegates who are highly experienced in MSK Ultrasound and would like more specific teaching of different joints.

Accreditation:

This congress is accredited for 30 CPD points by Royal College of Radiologists UK, 20 CPD Points by Malaysian Medical Council (for APC renewal) & is recognized for CPD Points towards the ESSR Diploma.

Ultrasound providers:

PHILIPS

SIEMENS

Online registration & testimonials:

www.penangmskrad.com

Guidelines for oral presentations:

1. Submit your abstract (of not more than 250 words) before 1st March 2020 for consideration by the Scientific Committee. Acceptance of your paper will be provided within a week of submission.
2. Please note that oral presentations are subject to slot availability and hence early submission of abstract is encouraged.
3. All oral presenters must settle their registration fees before the Congress.
4. The oral presentation session will be held during the tea breaks of the Congress. You will be informed of the day of your presentation via email two weeks before the Congress.
5. Presentation is to be allocated (8 + 2) minutes; unless otherwise specifically mentioned. The last "+2" minutes indicated is for discussion of your paper. The chairperson will alert the presenter at 6 minutes, to indicate that you have 2 minutes to end the presentation. Chairperson will request for questions from the floor and select audience members with questions. You are advised to adhere strictly to the time allocated to avoid disrupting the scientific
6. An LCD projector would be made available to facilitate your presentation. Computers available for presentations are Windows PC computers (Windows 7 operating system), with Microsoft Office 2010 software. All presentations must be compatible with this setup. Presenters are not allowed to use their own laptop computers.
7. Your presentation should be prepared as a single Microsoft PowerPoint file in standard PowerPoint file format (.ppt or .pptx). The file is to be brought in a thumbdrive / other appropriate medium.
8. For additional audio-visual requirements, please liaise with the congress secretariat at least 14 days before the Congress. Participants may be charged for any additional equipment used.
9. Kindly note that the official language of the Congress is English. Please use sufficiently large fonts and clearly legible typefaces for your presentation and avoid cramming too much information into each slide.
10. You must submit your file via thumbdrive to the congress secretariat before the first lecture on the first day (0830 hrs). Collect your materials (if relevant) by the end of the first day (1730 hrs).

If you have any enquiries, please email: globalfuturistic@gmail.com.

REGISTRATION FEES & PAYMENT

Congress Fees:

Individual Rates

Congress Fees	Early Bird Rate (till 30th November 2019)	Standard Rate (after 1st December 2019)
Payment Method	Bank Transfer / Credit Card	Bank Transfer / Credit Card
Overseas Radiologist	USD 1200	USD 1250
Malaysian Radiologist	RM 3800	RM 3900

Group Rates Overseas Delegates

Subsidy (per pax)	
3 pax	USD 50
4 pax	USD 75
5 pax and above	USD 100

Group Rates Malaysian Delegates

Subsidy (per pax)	
Group of 3	RM 100

Registration:

Registration for this congress is via online at www.penangmskrad.com. Upon submitting the online registration form, kindly send a copy of your details directly to globalfuturistic@gmail.com to ensure that we receive your form. You will receive a response within a week on suitability and availability of places at the congress. If you do not receive a reply within a week, please email us at globalfuturistic@gmail.com to enquire. Kindly refrain from making any payment until receiving a confirmation on acceptance.

Terms for group rate subsidies:

Upon identifying colleagues/friends interested in attending the congress, kindly select a group leader to manage correspondence with the congress secretariat. The congress secretariat will communicate payment details to the group leader. Kindly note that payment should preferably be made as a group to be eligible for the group rate.

Acceptance & Placement:

Once your place at the congress has been approved and you have obtained leave from your department, kindly proceed with payment. It is advised that payment be made as soon as possible to secure your place. Please note to apply and secure a place early not to be disappointed as many have been who applied only a month or two before the conference.

There are two methods of payment; Bank Transfer and Credit Card. For overseas participants, credit card payments are preferred due to ease of transfer. Please request for a very secure payment link from the congress secretariat when you are ready to pay which is valid for 7 days. Please note since we started using this link for credit card payments, there have been no fraudulent use of participants credit card information. It is very safe. For local Malaysians, bank transfers are preferred. If you are unable to pay the whole sum, you can opt to pay a deposit of RM1000 to secure the early bird rate, and pay the remainder amount in two interest-free installments. Alternatively, please contact the secretariat to discuss other payment options such as credit card.

For Bank Transfer, kindly follow the Bank Details below. Please note that the congress registration fee is not inclusive of travel and accommodation. Kindly use the hotel booking form available on our website to leverage on special delegate room rates.

Payment Details:

Account name : Global Futuristic Management Services
Bank : Commerce International Merchant Bankers Berhad (CIMB)
Account number : 8002419615
Swiftcode : CIBBMYKL-XXX
Bank Address : CIMB, 227&228 Jalan Bandar 13, Taman Melawati, 53100, Kuala Lumpur, Malaysia.
Beneficiary Address : 20 Jalan 4, Taman Sri Ukay, Ampang, Selangor 68000, Malaysia.
Contact number : +60122773799

Payment Proof:

All delegates paying via bank transfer must send us the proof of payment within three days of making payment. Kindly email a copy of the bank slip or proof of transfer to globalfuturistic@gmail.com with indication of account name that the transfer was made from. Upon receipt of payment into our account, a notice will be sent to your email along with a confirmation letter and e-receipt within one week to confirm your place in the congress.

Terms & Conditions:

1. A non-refundable policy applies to congress fees if notice of cancellation is given 60 days or less before the commencement of the congress.
2. A full refund will be provided if notice of cancellation is given more than 60 days before the congress. A USD 50 cancellation fee applies.
3. Registration transfers are allowed. No additional fees will be imposed for registration transfers.
4. The congress fee is inclusive of a light breakfast, morning and evening teas and a buffet lunch.
5. For overseas payments via bank transfer, kindly find out your local bank charges and include it in the amount transferred.
6. A confirmation of placement at the congress is upon receipt of a confirmation letter and electronic receipt. If you do not receive these documents within the duration of a month, kindly email the secretariat immediately to check on your status.
7. Upon making registration fee payment, kindly email the secretariat with proof of transaction along with indication of account name that the transfer was made from so that the secretariat is able to identify your payment. Failure to do so might cause your payment to be attributed to another delegate instead.
8. Do not make payment until and unless you receive a confirmation from the secretariat to proceed. Payments that go through prior to confirmation will not be refunded.
9. The secretariat has the right to revise any of the congress information as and when deemed necessary. Registration rates may also change depending on USD rate fluctuations.
10. In the event that the congress is cancelled due to unforeseen circumstances, a full refund will be credited into your account.
11. Kindly check if visa is required for your travel to Malaysia. It is advisable to check with the Malaysian embassy or consulate instead of agents or friends as requirements may change.
12. The event management company (secretariat) is not liable for any losses or injuries sustained before, after, or throughout the duration of the congress. Insurance coverage is encouraged as a safety measure.

MEETING INFORMATION

CONGRESS VENUE

Holiday Inn Beach Resort Penang, Beach Wing, Butterworth Room
Address: 72, Jalan Batu Ferringhi, 11100 Penang, Pulau Pinang, Malaysia.
Tel No: +604-8866666
Website: www.penang.holidayinnresorts.com

SECRETARIAT

Global Futuristic Management Services
Company Address: Level 41, Vista Tower, The Intermark, 348 Jalan Tun Razak, 50400 Kuala Lumpur, Malaysia.
Tel No: +6012-277 3799
Email: globalfuturistic@gmail.com
Website: www.penangmskrad.com

REGISTRATION

Registration is on 1st April 2020 from 7.30am-8.00am. All congress delegates are required to register at the registration desk located outside the congress hall to collect your name badge and congress materials. Please note that no replacements will be made for name badges and congress materials and delegates are liable for any losses.

CONGRESS LUNCH

The congress lunch is Halal and is complimentary for all congress delegates. To be entitled to the lunch, delegates must wear their congress badge at all times. Buffet lunches will be served at the Seaside Terrace Coffee House located at the Main Hotel Lobby. Delegates who prefer the vegetarian option and have identified this preference prior to the congress will be allowed to order ala-carte from the restaurant menu.

INTERNET ACCESS

Free wireless internet access is available in the congress hall and surrounding areas.

MOBILE PHONES

Delegates are requested to put their mobile phones on silent mode during sessions inside lecture halls and workshops.

DRESS CODE

The dress code for the meeting is semi-formal. Delegates are advised to bring along a light jacket as the venue is air-conditioned.

LOST & FOUND

Please take care of all your belongings. The organisers and secretariat will not be held liable in cases of loss, theft or damage to personal belongings. Any found items may be brought to the hotel lobby or kept by the secretariat.

PARKING

Parking is complimentary for hotel guests.

PUBLIC TRANSPORT

Budget taxi from the airport to the hotel at Batu Ferringhi (Area D8) is available using the Koplimo airport white taxi counter. Please note that midnight taxi charges (12am-7am) are higher. Alternatively, you can download an application called 'Grab' which provides cheaper travel options around Penang. The cheapest option would be to take the direct bus (Bus No.102) from the airport to Batu Ferringhi. Bus operating hours are from 6.00am-11.00pm and depart hourly. Public buses to the town are also available outside the hotel.

CURRENCY EXCHANGE RATES

The currency exchange rate is currently 1US dollar = RM4.2 approximately.

SAFETY

Penang is a very safe island. Usual caution should however be exercised.
